Side Effects. Acupuncture is a traditional Chinese medicine practice that is based on the idea that a blockage or disturbance in the flow of the body's life energy, or qi, can cause health issues. A cupping technique involves creating specific points throughout the body to help balance the body's qi, stimulate healing, and promote recovery. 

The Twelve Yuan (Source) Points: By Li Ding From the book: "Acupuncture, Meridian Theory and Acupuncture Points" Each of the 12 regular meridians has a Yuan (Source) point near the wrist or ankle joints of the four extremities through which the vital energy of the zangfu organs passes and to some extent accumulates. "Yuan" means origin, and refers to the source of vital energy.
